Re: *Intrawest's June Lake Rodeo Grounds Application*

Dear Scott:

This letter responds to your letter to Joe Walsh dated January 29, 2010, regarding Intrawest's application for a Specific Plan for the Rodeo Grounds property in June Lake. Your letter identifies additional information and documents that the County requests Intrawest to provide in order to complete the application. We have enclosed the following documents in response to that request:

1. Development Summary (residential and commercial square footage, number of units, and the number of bedrooms and bathrooms per unit)
2. Rodeo Grounds Site Plan;
3. Resort Core Site Plan;
4. Representative Grading Plan for Single Family Residences
5. Sections;
6. Cross Sections;
7. Construction Phasing Plan;
8. Drainage Plan; and
9. Tree Surveys for the Resort Core

After you and your team have reviewed the enclosed documents, please contact me either to confirm that you have all of the information required to complete the application or to advise us what additional information you may need. Thank you for your continued courtesy and cooperation.
